Global Migration

What's Happening, Why, and a Just Response

Elizabeth W. Collier and Charles R. Strain
with Catholic Relief Services 

"A remarkably vivid, well researched, and often impassioned approach to one of the most important social issues of our time. Collier and Strain artfully combine stories, analysis, and insights from the Catholic social justice tradition to illuminate the experiences of the millions of men, women, and children whose lives and struggles often remain untold or unappreciated. A must for anyone who seeks to understand their brother and sister the refugee, the migrant, and the displaced person."

—James Martin, SJ
author of *Jesus: A Pilgrimage*
and *This Our Exile*

CRS University Offers Online Migration Course

Global Migration is the anchor text for a comprehensive online course that examines the complex issue of global migration through the lens of Catholic Relief Services' humanitarian work around the world. Accessible and multidisciplinary, the course also brings a unique faith perspective to this important issue. It goes beyond the facts and statistics to explore the history, causes, and ethics of global migration. Prepare to inspire reflection, provoke discussion, and empower your students to respond to today's greatest humanitarian crisis.
