

Dear CTSA Member,

Once again this semester we have two free programs that will interest you.

1. We are offering free bulk copies of our February 22 issue. It includes:

Theologian and scripture scholar Luke Timothy Johnson on how we can understand, teach, and preach about miracles ... Julia Young of Catholic University reflecting on the phrase "authentic Catholicism," and on what happens when Catholic purists decide to isolate themselves ... Fordham's Patrick Ryan, SJ reviewing Jack Miles's *God in the Qur'an* ... plus all of *Commonweal's* regular departments, columnists, and commentary

Educators can request up to 250 free copies of this issue at: <http://cwlmag.org/bulkcopies>. The deadline for requests is Thursday, January 31.

2. Also, we continue to offer free one-year *Commonweal* subscriptions to students (undergraduate or graduate) as well as to anyone who has finished a degree program in the past three years. We encourage professors to circulate this URL to all their students: <http://cwlmag.org/freestudent>.

If there are questions about either of these programs, you can contact me at tbaker@commonwealmagazine.org.

All the best,

Tom
